The Potentate's Message

IS Don Varo - Potentate 2023

I write this article as your 2023 Potentate, I am very honored and humbled that you, the nobility, voted for me into this position.

I am very excited and somewhat nervous for this coming year. I have some pretty big shoes to fill. But with the help of our Divan and the Nobility, I am confident we will make this year a great one. Activities this year such as Afifi Picnic, Parades, and doing fun things together. Also working with the blue lodges to better our numbers in our Afifi temple. As I have moved through Divan I was made president of my class at PNSA our model is "ROCK ME IN 2023"!!! our Imperial Potentate says the same. I would like to take this time to thank those who have shown me so much support and friendship over the last years in the Divan and Nobility. THANK YOU!!!! If I tried to name each of you individually, I would run out of space in this Article. I believe Afifi Temple will continue to be very successful in the future. We will continue to move forward and improve a little at a time, allowing us to reach our goals

ROCK ME IN 2023

By-Laws Reminder

IS Ray Zimmerman, PP

The following is required by Imperial Bylaws to be mailed to every noble of Alfi Shrine by March every year. Please read and understand these rules before you plan your next fundraising project.

FUNDRAISING ACTIVITIES

It is natural to associate the fez with Shriners Hospitals for Children. Because of this, meticulous attention must be given to all fundraising activities, including circuses, to make certain that such activities comply with the law of the land and that a contributor is not led to believe that his money will be used for the Hospitals when all or a portion thereof will be used otherwise. The integrity of our charity and of our fraternity must remain above reproach.

Your specific attention is called to the following fraternal and charitable bylaws:

§335.3 USE OF NAME "SHRINERS HOSPITALS FOR CHILDREN." The use of the name "Shriners Hospitals for Children" or reference to the Hospitals in connection with any fundraising activity by a temple or Noble without the written consent of the Imperial Potentate and the chairman of the board of trustees of the Hospitals is prohibited.

§503.11 COMMERCIAL USE OF NAME. The use of the name "Shriners Hospitals for Children" or reference to the Hospitals in connection with any commercial product or business enterprise is prohibited unless the written consent of the boards of directors and trustees has been first obtained.

Now, therefore, IT IS HEREBY ORDERED:

1. Fundraising for Fraternal Purposes:

- (a) No Noble (in his capacity as a Shriner), club, unit, organization of Nobles or affiliated or appendant corporations, shall engage in any fundraising activity without the express written consent of the potentate of the temple having jurisdiction thereof.
- (b) There can be no representation, express or implied, that the proceeds will be for the benefit of Shriners Hospitals for Children.
- (c) The temple potentate shall carefully examine all phases of the advertising, promotion and solicitation to determine that it complies with §§335.3 and §503.11 of the fraternal and charitable bylaws and that there is no representation, express or implied, that would lead a reasonably prudent person to believe that the proceeds will be for the benefit of Shriners Hospitals for Children. If the potentate is in doubt, he must receive the opinion of the Imperial Potentate who, after consultation with the Director of Temple Accounting, shall make the final determination.
- (d) The temple potentate must approve the terms and provisions of any contract for a fundraising activity after receiving the advice of the temple attorney, and, additionally, as may be required by the temple bylaws.
- (e) A copy of the temple potentate's written consent shall be mailed to the Executive Vice President, Shriners International. Further, such written material pertaining to the fundraising activity, as requested by the Executive Vice President, Shriners International, shall be promptly mailed to him.

2. Fundraising for Charitable Purposes:

- (1) No Noble (in his capacity as a Shriner), club, unit, organization of Nobles or affiliated or appendant corporations shall engage in any charitable fundraising activity other than for Shriners Hospitals for Children. Permission therefor must be first obtained in writing from

case basis, that it is in the best interest of Shriners Hospitals for Children and they grant their written permission for the activity.

- (a) 100% of net proceeds (as defined in the Charitable Fundraising—Approval and Reporting provisions of this General Order) from charitable fundraising must be given to Shriners Hospitals for Children except for such portion thereof as may be permitted to be retained for the temple Shrine Hospital Patient Transportation Fund, pursuant to the Special Purpose Funds provisions of any General Order. Provided, however, if the chairman of the boards of directors and trustees determine for good cause shown, that the law of the land requires that a portion of the net proceeds must be distributed locally, then they may, if they determine it to be in the best interest of Shriners Hospitals for Children, grant their written permission for such distribution. The remaining net proceeds from charitable fundraising must be given to Shriners Hospitals for Children and may not be designated or restricted in any way.
- (b) The temple shall report the result of each charitable fundraising activity within sixty days of the activity, pursuant to the Charitable Fundraising—Approval and Reporting provisions of any General Order. (c) This section shall not apply to activities exempt under §335.4(b) of the bylaws of Shriners International. (d) Each independent corporation or entity that receives the permission of the chairman of the boards of directors and trustees to raise money for Shriners Hospitals for Children, and which does not have its financial statements reviewed pursuant to §534.68-337 of the bylaws of Shriners International, shall have its financial statements audited by a certified, chartered or licensed public accountant and shall submit such audit report to Shriners International within 120 days of the activity.

3. Statement of Purpose and Disclosure:

- (a) Every fundraising activity must contain factual information on its solicitation material, tickets, programs and documents, including all electronically transmitted material, regarding the use of the proceeds.
Examples: "Proceeds are for the benefit of () Shriners () Shrine club activities." "Proceeds are for the benefit of Shriners Hospitals for Children."
- (b) Every fundraising activity which is not entirely for the benefit of Shriners Hospitals for Children shall prominently state on all solicitation material, including tickets, programs, documents and electronically transmitted material, that "payments are not deductible as charitable contributions."
- (c) There must be compliance with the Revenue Act of 1987 provision of any general order by U.S. temples.

4. Compliance with Applicable Laws:

It is the responsibility of the temple potentate, after receiving the advice of the temple attorney, to determine that there is compliance with all applicable laws in its jurisdiction for the temple's fundraising activities.

5. Financial Records:

- (a) The temple shall maintain detailed financial records pertaining to all fundraising activities involving Nobles, clubs, units, organizations of Nobles and affiliated and appendant corporations. Details of all revenues and expenditures shall be maintained in such financial records.
- (b) The temple must retain such detailed financial records for a period of seven (7) years.
- (c) There must be compliance with Financial Reporting on Charitable Funds and Activities provision of any general order.

6. Notification to Nobility:

A copy of the Fundraising Activities provisions of this General Order shall be printed in the temple publication at least once every calendar year. If there is no temple publication, then a copy shall be mailed to each Noble in the temple not later than the last day in March of each calendar year.

7. Discipline:

Any officer, Noble or temple which violates a provision of Fundraising Activities is subject to discipline pursuant to the bylaws of Shriners International.

From the Desk of the Chief Rabban

Noble David Aponte

Fraternal greetings Nobles

First, thank you goes out to all for your support in electing me as Chief Rabban. My congratulations to our 2023 Potentate, IS Don Varo, and all the elected and appointed Nobles of the Divan. This will be a year that will ROCK.

In order to make this year ROCK, we need each and every Noble assistance to make it happen. Three things that you as a Noble can assist us:

1. Active - Be active in your Blue Lodge in all aspects. If there's something we can assist with gives us a holler.
2. Membership - Talk to your Blue Lodge about Shriners. Talk about what we do as a group. Get your Lodge Brothers that aren't Shriners to get involve with us. The Hospital and the events we participate in are one way. Then get them to join us. Get your local Shrine Club or Unit to visit Lodges in your District.
3. Involvement with Afifi - Be active in your local Shrine Club or Unit. Join us in our events. Make recommendations to make us more viable as an organization. Your input is appreciated and valued. But you have to attend our meetings or email us or have a phone conversation. The ROCK will not move with inertia. You are the propulsion mechanism to make it happen.

I hope to greet you and together make this year truly ROCK.

Recorder's Corner

IS Ray Zimmerman, PP

Nobles,

It's a start of a new year with all its hopes and challenges. But we are not yet done with 2022. December 31st, 2022 was the deadline for paying your 2023 dues. We have 49 nobles who still owe 2023 dues or other charges. It would be great if we could put this behind us. Remember, you can make payments over time to spread the pain.

I am actually going to audit all club and unit books this year. I've created a schedule and will be contacting the officers so they can prepare.

The calendar in this newsletter was accurate the day I sent it to David. Please go to our website to see the most up-to-date calendar. You can also request an ical link so you can added it to your own calendar. And PLEASE notify me of any changes or corrections. We all depend on this calendar.

In my annual report presented at the January 14th meeting, our membership continues to decline. We need to make it our top priority to help our lodges recruit new members. If they don't grow, neither will we.

The Potentate has announced that he wants all the Divan, clubs and units to be run more like lodges. Especially concerning meeting minutes. He wants the minutes read, voted upon and signed at the end of every meeting, read at the following meeting for information only and a copy issued to the Recorder. He also wants quarterly financial reports to be sent to the Recorder. I will be working with the treasurers on the format. All this is to help the Divan get an accurate picture of how Afifi is operating. We're all in this together.
