POTENTATE'S MESSAGE

IS Richard Johnson— Potentate 2025

Dear Nobles,

I hope this message finds you all in good spirits. I wanted to take a moment to reflect on our first stated meeting of the year. Despite the smaller attendance due to various conflicts, I am pleased to report that the meeting went exceptionally well. Your dedication and enthusiasm were evident, setting a positive tone for the year ahead.

A special thank you goes out to Lady Jilly for the wonderful meal and for organizing the ladies' activities. Your efforts truly made the time enjoyable for everyone.

I would also like to acknowledge our newest noble, Landon, who participated in the Cold Sands ceremony. Welcome, Noble Landon! We are thrilled to have you join our ranks and look forward to your contributions to our Shrine.

As we move forward, I am excited about the upcoming parade season, which kicked off with the St. Patrick's Day parade in Vancouver. Although I was unable to attend, I have heard wonderful feedback about our participation. The community was delighted to see us, and it was a great start to what promises to be an exciting season.

Our next parade will be the Daffodil Trifecta Parades on April 5th. More information will be forthcoming from our Director of Units, Noble Joe Clark.

We also have our annual Ilwaco/Loyalty Days parades on Saturday, May 3rd, and Sunday, May 4th. For those interested in booking accommodations, you can use the code "afifishriners2025" on the Chautauqua Resort website to receive a discount:

Whether you come for one night or two, it's going to be a great time at the parades and at the BBQ on Saturday afternoon after the first parade. This event is open to all, so being a Freemason or a Shriner is not required. Who doesn't like to go to the beach, especially at such a great price?

The Summer Pacific Northwest Shrine Association (PNSA) will be in beautiful Wenatchee, WA. The summer session will be a family-oriented event from July 17th to 20th. They are planning family old-fashioned picnics, German food, and some great times. There will be more information coming.

Thank you all for your continued support and commitment. Let's make this year one of our best yet!

Fraternally,

FUNDRAISING ACTIVITIES

Strict attention must be given to all fundraising activities, including but not limited to circuses, gaming, bingo and raffles, to make certain that such activities are authorized and comply with the law of the land. In addition, because it is natural to associate the fez with Shriners Hospitals for Children it is essential that a contributor is not led to believe that his money will be used for the Hospitals when all or a portion thereof will be used otherwise. Advertising for all fundraisers must clearly indicate the entity for whom the funds are being raised. The integrity of our charity and of our fraternity must remain above reproach.

Your specific attention is called to the following fraternal and charitable bylaws:

§335.3 Use of Name “Shriners Hospitals For Children.” The use of the name “Shriners Hospitals for Children” or reference to the Hospitals in connection with any fundraising activity by a temple or Noble without the written consent of the Imperial Potentate and the chairman of the board of trustees of the Hospitals is prohibited.

§503.11 Commercial Use of Name. The use of the name “Shriners Hospitals for Children” or reference to the hospitals in connection with any commercial product or business enterprise is prohibited unless the written consent of the boards of directors and trustees has been first obtained.

Now, therefore, IT IS HEREBY ORDERED:

1. Fundraising for Fraternal Purposes:

(a) No Noble (in his capacity as a Shriner), club, unit, organization of Nobles or affiliated or appendant corporations, shall engage in any fundraising activity without the express written consent of the Potentate of the temple having jurisdiction thereof.

(b) There can be no representation, express or implied, that the proceeds will be for the benefit of Shriners Hospitals for children.

(c) The temple Potentate shall carefully examine all phases of the advertising, promotion and solicitation to determine that it complies with §335.3 and §503.11 of the fraternal and charitable bylaws and that there is no representation, expressed or implied, that would lead a reasonably prudent person to believe that the proceeds will be for the benefit of Shriners Hospitals for Children. If the Potentate is in doubt, he must receive the opinion of the Imperial Potentate who, after consultation with the Director of Temple Accounting, shall make the final determination.

(d) The temple Potentate must approve the terms and provisions of any contract for a fundraising activity after receiving the advice of the temple attorney, and, additionally, as may be required by the temple bylaws.

(e) A copy of the temple Potentate’s written consent shall be emailed to the Executive Vice President, Shriners International at

officeoftheexecutive@shrinenet.org. Further, such written material pertaining to the fundraising activity, as requested by the Executive Vice President, Shriners International, shall be promptly mailed to him.

2. Fundraising for Charitable Purposes:

(a) No Noble (in his capacity as a Shriner), club, unit, organization of Nobles or affiliated or appendant corporations shall engage in any charitable fundraising activity other than for Shriners Hospitals for Children. A request to fundraise for Shriners Hospitals for Children is now initiated through a module in WebFez. The temple recorder and/or designated staff are required to take online training to gain access to the module. See updated Charitable Fundraising – Approval and Reporting on page 44 of this publication. Permission therefor must be first obtained in writing or via electronic authorization from the temple Potentate. The temple Potentate must then obtain written permission from the chairmen of the boards of directors and trustees. This request for written permission shall be sent to events@shrinenet.org. *No charitable fundraising activity shall be held in the jurisdiction of another temple without the written permission of the Potentate of that temple.*

(i) A joint charitable fundraising activity with another 501(c)(3) charity may be authorized, provided that a minimum of 50% of the net proceeds are for the benefit of Shriners Hospitals for Children, and the chairmen of the boards of directors and trustees determine, on a case by case basis, that it is in the best interest of Shriners Hospitals for Children and they grant their written permission for the activity.

(ii) A charitable fundraising activity conducted by a temple located outside of the U.S.A. and Canada may be authorized for other charities, provided that the chairmen of the boards of directors and trustees determine, on a case by case basis, that it is in the best interest of Shriners Hospitals for Children and they grant their written permission for the activity.

(iii) No charitable funds from a charitable fundraising event may be distributed to charities other than Shriners Hospitals for Children if the written fundraising request and written permission do not specifically include that other charity.

(b) All Shrine temples and their units, Shrine clubs, Shrine Associations and their units and Imperial Sessions of Shriners International are prohibited from engaging telemarketing firms and direct mail firms to assist with fundraising for Shriners Hospitals for Children. No new contracts are permitted without first obtaining written permission from the chairmen of the boards of directors and trustees.

(c) 100% of net proceeds (as defined in the Charitable Fundraising—Approval And Reporting provisions of this General Order) from charitable fundraising must be given to Shriners Hospitals for Children except for such portion thereof as may be permitted to be retained for the temple Shrine Hospital Patient Transportation Fund, pursuant to the Special Purpose Funds provisions of any General Order. Provided, however, if the chairmen of the boards of directors and

(continued on page 5)

(Fundraising Activities continued from page 4)

trustees determine for good cause shown, that the law of the land requires that a portion of the net proceeds must be distributed locally, then they may, if they determine it to be in the best interest of Shriners Hospitals for Children, grant their written permission for such distribution. The remaining net proceeds from charitable fundraising must be given to Shriners Hospitals for Children and may not be designated or restricted in any way other than for research at one or all of our hospitals.

(d) The temple shall report the result of each charitable fundraising activity within sixty days of the activity, pursuant to the Charitable Fundraising—Approval And Reporting provisions of any General Order.

(e) This section shall not apply to activities exempt under §335.4(b) of the bylaws of Shriners International.

(f) Each independent corporation or entity that receives the permission of the chairmen of the boards of directors and trustees to raise moneys for Shriners Hospitals for Children, and which does not have its financial statements reviewed pursuant to §§334.6 & 337.8 of the bylaws of Shriners International, shall have its financial statements audited by a certified, chartered or licensed public accountant and shall submit such audit report to Shriners International within 120 days of the activity.

3. Statement of Purpose and Disclosure:

(a) Every fundraising activity must contain factual information on its solicitation material, tickets, programs and documents, including all electronically transmitted material, regarding the use of the proceeds.

Examples: “Proceeds are for the benefit of (Shriners) (Shrine club) activities.” “Proceeds are for the benefit of Shriners Hospitals for Children.”

(b) Every fundraising activity which is not entirely for the benefit of Shriners Hospitals for Children shall prominently state on all solicitation material, including tickets, programs, documents and electronically transmitted material, that “payments are not deductible as charitable contributions.”

(c) There must be compliance with the Revenue Act of 1987 provision of any general order by U.S. temples.

4. Compliance with Applicable Laws: It is the responsibility of the temple Potentate, after receiving the advice of the temple attorney, to determine that there is compliance with all applicable laws in its jurisdiction for the temple’s fundraising activities.

5. Financial Records:

(a) The temple shall maintain detailed financial records pertaining to all fundraising activities involving Nobles, clubs, units, organizations of Nobles and affiliated and appendant corporations. Details of all revenues and expenditures shall be maintained in such financial records.

(b) The temple must retain such detailed financial records for a period of seven (7) years.

(c) There must be compliance with Financial Reporting on Charitable Funds and Activities provision of any General Order.

6. Notification to Nobility: A copy of the Fundraising Activities provisions of this General Order shall be printed in the temple publication at least once every calendar year. If there is no temple publication, then a copy shall be sent to each Noble in the temple not later than the last day in March of each calendar year.

7. Prior Permission: Every Noble (in his capacity as a Shriner), club, unit, temple, organization of Nobles or affiliated or appendant corporations is prohibited from entering into any telemarketing agreement or contract to raise money for the benefit of Shriners Hospitals for Children without first obtaining written permission from the chairmen of the boards of directors and trustees. This request for written permission shall be sent to the Chief Philanthropy Officer, Shriners Hospitals for Children, at events@shrinenet.org.

8. Discipline: Any officer, Noble or temple which violates a provision of Fundraising Activities is subject to discipline pursuant to the bylaws of Shriners International.

9. Shriners International Education Foundation: Notwithstanding the previous provisions of FUNDRAISING ACTIVITIES stated above, Nobles may contribute, encourage other Nobles to contribute and engage in charitable fundraising activities directly to Nobles and their families for the benefit of the Shriners International Education Foundation
